Please fill this form out and leave with the City employee. Thank you!

Please note that signing up for spots does not necessarily assure you a parking spot it only assures you a spot on the Square to trunk or treat. In order to get a parking spot, you will need to get there early. We are hoping to have every parking spot full and lining trunk or treat spots all down the sidewalk and inside the Square. We hope to see you there to share this city- wide event with our little ones, and big ones too.
